

## Mini-Stays for 2012

All prices below are in USD's (United States Dollars). South American Holidays quotes USDs so as not to inflate the prices to cover the gains and losses that the Australian dollar has with the United States dollar. Contact our office if you would like to stay longer, use a different hotel, single, triple or quad share or include other tours. We have tried to put 4-star hotels where possible. Some hotels have higher seasonal rates.
